

GETTING READY FOR NURSERY

Come and see us

Arrange a visit to come and see us. See firsthand what we offer.

After the visit talk about it

Back at home, talk together about what they saw and can remember. Do they have a favourite area already?

Watch the video tour

Watch the video to remember what you saw and talk about it.

Read, talk and sing together

Read books, sing songs and nursery rhymes.

Practise the routine

Practise the morning routine – getting dressed, eating breakfast in time to leave.

Practise self-care skills

Practice using a cup, knife and fork, putting on and taking off a coat

Toilet training

Accidents happen when learning a new skill. We are fully equipped to support your child. Pack spare pants and a change of clothes to keep in Nursery.

Practise using the potty or toilet, pulling down own pants.

FIELDHEAD CARR NURSERY

At Fieldhead Carr Primary School, we are passionate that our children feel secure in enabling environments and form positive relationships with the people they spend time with. We want them to develop language to communicate with others, share and co-operate and form basic concepts which help them understand the world we live in

OUR LEARNING LANDSCAPE

Children learn best through play in an environment that promotes exploration. Resources are organised to provide a wide range of areas of provision, each promoting learning opportunities across some or all of the areas of experience. These areas are regularly enhanced to support learning across different themes and to follow children's particular interests.

SETTLING IN

Allow plenty of time, especially on the first day. Your child maybe unsettled, if this is the case you will be asked to stay.

Depending on individual needs, a gradual buildup of time might be necessary to ensure a smooth and gentle transition

HOW TO PREPARE

It might be easier for your child to settle if you've gradually got them used to being left with other carers such as grandparents, relative and friends. These short periods of time away from you will prepare them for spending time at Nursery with their new friends.

PARENTS AS PARTNERS

It is our aim to give the whole family an enjoyable start to school life when they join our school. We are committed to offering each and every child inspirational learning experiences that set them on their learning journey.
